

# MEMORY AID | 5/16 TUBING

## COLOURS

### BLUE

Most common

### GREEN

Aesthetic difference compared to blue

### SHADOW

Thaws and warms the water quicker  
For very cold sugarbushes

## WARRANTY

### 15 YEARS

More UV agents  
More flexible  
More expensive

### 10 YEARS

Slightly less flexible  
Perfect for drops and repairs  
Excellent durability/price ratio

The warranty is managed by CDL. It is prorated and only covers the tubing itself.

There are conditions to meet, so for any questions or warranty requests, please refer to CDL before making any commitments with the client.

## MODELS

### FLEX
